

6 Kill the Bug Recycle The Jug! 9

Another year of “Kill the Bug Recycle the Jug” has passed and thanks to your continued support, our efforts to collect recyclable pesticide containers has continued to increase once again. This year we have collected **80,250 pounds** (more than 11 cotton trailers) of plastic from over 213 growers throughout Sutter, Yuba, Butte and Colusa Counties.

Thank you,
Sutter County Agricultural Department
Pesticide Division
