INFORMAL REQUEST FOR DECLINE IN VALUE (PROP 8) REVIEW/REASSESSMENT

IMPORTANT

This form must be filed with the Assessor no later than December 31, 2010, in order to obtain review of your assessment for the 2010–11 tax year.

Proposition 8: Proposition 8 (Prop 8) was approved by the voters and became state law in 1978 [Section 51(a)(2) of the Revenue and Taxation Code]. **This provision allows for a temporary reduction in assessed value** when real property suffers a "decline in value" due to any number of adverse conditions, including economic impacts. Such conditions are evidenced when the value at which property is assessed exceeds its actual value in the open real estate market as of the lien date, **January 1, 2010.**

Informal Review Process: Submittal of this request will initiate the process of informal review of your property value, as of the lien date, **January 1, 2010**, effective for the 2010–11 tax year. You will be notified as to the result upon conclusion of the review; however, due to the high volume of like requests, this may take a number of months. **If your property received a Prop 8 decline-in-value reduction for the prior (2009–10) tax year, there is no need to re-file. Your assessment will be reviewed automatically.**
