STAFF REPORT

MEMO TO: SUTTER COUNTY CHILDREN & FAMILIES COMMISSION

FROM: DEB COULTER, EXECUTIVE DIRECTOR

**SUBJECT: APPROVAL OF SUBSCRIPTION RENEWAL FOR HEALTH GRANTS
FUNDING ALERT & CHILDREN & YOUTH FUNDING REPORT**

RECOMMENDATION: It is the recommendation of the Executive Director that the Commission approve the renewal of these three subscriptions to various health funding reports at a cost of \$1,027.00

BACKGROUND: The Sutter County Children & Families Commission has subscribed to these publications during the last year and found them to be quite valuable. In addition, they are a resource that is available to individuals seeking information on how to sustain programs, whether or not they are funded by the Sutter County Children and Families Commission. It is felt that having these documents available allows Commission staff to offer opportunities to programs that are not being funded by our Commission, as well as offers opportunities for other groups to identify funds that may be used for projects they are involved in.

CURRENT PROPOSAL: It is requested that the Commission approve the continuing subscription of these three publications.

IMPACT ON COMMISSION RESOURCES: These three subscriptions would cost \$1,027.00 for which funds are contained within the Commission's budget.

POLICY ACTION REQUESTED: Approval of the recommendation.
