

Helpful Tips

- Memorize your social security number (xxx-xx-xxxx)
- Get a school or California I.D. and keep your I.D. with you at all times
- If you have a Medi-Cal card, keep it with you
- Keep a list of emergency phone numbers (trusted adult, prenatal care provider, baby's doctor, etc.)

Dads Are Important!

Dad, just like mom, needs to be involved in his children's lives:

- Be a positive role model.
- Spend time with your children.
- Play with them. Teach them about the world.
- Take part in caring for them.

Resource list & map

 If you are in a situation where you believe there is no way you can care for your baby, now there's a way to safely surrender your baby. California law permits the parent(s) to safely and confidentially surrender a baby within three days of birth. The law requires that the baby be taken to a public or private hospital, or designated fire station displaying this logo.
